## 11. EVENT MARKETING

If you will be featuring any show specials or giveaways in your booth during COE, we want to let our attendees know about it before the show! Please send a graphic no larger than 5" x 5" containing all the show special information in JPEG or PNG format to [campgroundownersexpo@gmail.com](mailto:campgroundownersexpo@gmail.com) **no later than November 21, 2025**. This will be sent to our attendees via email along with other show information and updates.

Additionally, please let your customers know you'll be attending the show! Send an email, post on your website blog, Facebook, Instagram, LinkedIn or other social media pages. We appreciate your support of our show and would love for you to invite your customers who may not know about our show yet!

If you're able, here is a great link to include in your email to campground owners and managers for them to find more information about our show: [www.campgroundownersexpo.com/campground-owners/](http://www.campgroundownersexpo.com/campground-owners/) - If you'd like to include our logo, please email [campgroundownersexpo@gmail.com](mailto:campgroundownersexpo@gmail.com) and we'd be happy to send that to you as well!

## 12. AUCTION ITEMS

During our evening program on Wednesday 12/3, we host a short charity auction, benefitting The Gilbert Brown Foundation, which supports over 156 children's charities. Gilbert Brown is a former nose tackle for the Green Bay Packers and our organization has worked closely with his foundation for many years and are proud to support the work he does in supporting children and their families through some of life's toughest challenges!

In addition to this auction, we also host many giveaways as incentive programs for the attendees to attend certain events, purchase products and services from exhibitors in the expo hall, and more.

If you would like to donate items, service gift certificates, gift baskets, etc, to this effort and to give your business additional visibility, we would greatly appreciate it! Please email any photos or information on your donation prior to the event to [campgroundownersexpo@gmail.com](mailto:campgroundownersexpo@gmail.com) - you can bring your donation to the COE registration desk upon your arrival. We thank you in advance for your donation and support!

### 13. BUYING INCENTIVES

We understand our exhibitors are a vital piece of making our show a success. Additionally, we understand that for you to justify the costs associated with attending, you need to leave with orders, or at the very least, some incredible leads! This is why we work hard to educate our attendees on the importance of supporting our exhibitors, and incentivizing them to make purchases at the show. **We have multiple ways for our attendees to be entered to win over \$10,000 in cash and prizes, simply by making purchases with you!**

*If campgrounds make purchases, they just need a receipt to show us in order to get their prize entry tickets. If you could please plan to have some sort of receipt for folks who order from you, or if you are a service-based business, some sort of acknowledgement that they are doing business with you, that would be super helpful so we can get them their entry tickets!*
